

National Library Week Scavenger Hunt

See if you can find everything on the list & turn in by Sunday, April 10th for your chance to win! One randomly selected winner will win a BPL bag they can fill with books from the Library Shop and a card for free Keurig drinks! Good luck and happy hunting!

Look something up on the library catalog!

Sometimes one movie just isn't enough. When you need a binge, look for these. Hint: You can find these near the DVDs or by searching for "binge" in our catalog! What are they?

If you're looking for somewhere quiet in the library, you'll look for one of these. Hint: There are nine of them. What are they?

Need a space? We have rooms for that! 7 in fact! Two of them are in the children's area and the other 5 are on east end of the building. Those 5 rooms are all named after someone important to the library. What is one of the room names?

Find a giant interactive piece of art in the library. Hint: It's like a Lite Brite but much, much bigger!

Borrow something from one of our digital collections (Libby, Hoopla or Kanopy)! Or if you have no idea what we're talking about, stop in, call, or send us an email to find out what Libby, Hoopla, and Kanopy are. You can also find these on our website under "eBooks, eAudio & More."

All done? Want to be entered into the drawing? Great!
